

System Requirements for Optilia Capillaroscopy Systems

Important installation notes

- Mediscope and Capiscope will only work with Intel CPUs
- Install all necessary drivers in a standalone system.
- Installation should be with full administration privileges.
- Disable the antivirus system temporary during the installation.

Officially supported computers by Optilia

- **Station:** HP ProDesk i5 or Core i3
- **Laptop:** HP ProBook, Intel i5, 15.6" HD or 17.3" HD+ LED
